

## USEFUL INFORMATION

RECREATIONAL VESSEL "TAMBO"

(A-82) 2004-2005

## USEFUL INFORMATION RECREATIONAL VESSEL “TAMBO” (A 82)

Name of the pleasure craft: **“TAMBO” (A-82)**

In the existing documentation, it is also known by other names such as “WK London” and “Anna”.

Current location: **Naval Military Academy, ENM Marín (Pontevedra).**

Registration number: **Unknown**

Model: **WK 92**

Shipyard: **Liman JSC (Ukraine)**

Once the auction winner has received the Award Notice, it is essential to complete the process of changing the registered owner. To do so, the new owner must regularise the vessel's status and remove it from its current location for logistical reasons **by September 2026**.

Should the new owner intend to fly the Spanish flag, the following documentation must be taken into account:

By way of example, but not limited to:

- Documentation issued by the Ministry of Health's Government Delegation for the National Drugs Plan, stating that the asset is owned by the Spanish authorities and that, for the purposes of regularising its status in Spain, it was acquired at a public auction.
- Title of ownership or proof of the applicant's right of use, in accordance with **the Award Notice** issued by the Ministry of Health, Government Delegation for the National Drugs Plan
- Customs clearance for vessels from third countries: you must take into account the payment of any direct or indirect taxes, duties or levies that may be required, as set out in the general procedure for pleasure craft over 24 metres in length.

As the "Tambo" (A-82) is over 24 metres in length, it is processed as a pleasure craft in accordance with the regulations set out in Royal Decree 804/2014 of 19 September.

## **1. Application for registration**

This is submitted to the Harbour Master's Office / Maritime District corresponding to the chosen port of registration.

## **2. Proof of ownership**

The following must be provided:

Deed or contract of sale Invoice  
Deregistration from previous flag if registered in another country  
Cancellation of foreign registration (if applicable)

## **3. Complete technical documentation**

The following are normally required:

Builder's certificate  
Technical drawings and project documentation  
Tonnage (GT)  
Class certificate (if applicable)  
Safety certificates Certificates for machinery and equipment  
Pollution prevention documentation Radio equipment documentation  
Compliance with **SOLAS/MARPOL** regulations where applicable, depending on type and use, in accordance with Royal Decree 804/2014 of 19 September.

## **4. Initial inspection and surveys**

The Maritime Authority carries out:

Initial survey  
Technical inspection Safety check Radio inspection  
Subsequent periodic inspections

The certificate of seaworthiness is now part of the ship certification scheme.

## **5. Registration**

Registration in the Ship Register  
Registration form  
Assignment of registration number  
Assignment of name (compulsory)  
Distinctive mark / radio call sign

## **6. Register of Movable Property**

In this specific case, this does not apply as there is no: ship mortgage, lease or financing.

## **7. Issue of final certificates**

Navigation Licence  
Safety certificates  
Radio licences  
Vessel station licence  
Clearance to sail

Neither the Ministry of Health (Government Delegation for the National Drugs Plan) nor the auction house (Surus Inversa/Escrapalia) guarantees the accuracy of the vessel's technical documentation. Therefore, the responsibility for carrying out the necessary checks to safeguard their interests rests solely with the interested party.

## 2. GENERAL INFORMATION

Name of the pleasure craft: **“TAMBO” (A-82)**

This is a vessel with a steel hull, a raked bow and a bulbous centreboard, designed for Class A ocean-going voyages.

### 2.1 Technical details

Registration number: Not available

HIN: 9GWERGPBCA00FZ

CE certification category: A (Ocean-going)

Year of construction: 2004-2005

Class and model: Ketch (custom) WK

Shipyard: Liman JSC (Ukraine) Hull

material: steel hull

Superstructure: aluminium coated with a layer of polyester putty.

Approximate dimensions:

Length: 28.9 metres Beam: 8

metres Draught: 3.60 metres

Displacement: 158 t

Engine: Caterpillar 3196 diesel – 490hp (operational)

Note: Currently discontinued and replaced by the CAT C-12 according to the manufacturer's updates.

Performance: Max. speed 12 knots / Range 4,500 miles.

Approximate sail area:

Mainsail: 140 – 180 m<sup>2</sup> (also has a spare mainsail.)

Genoa: 120 – 160 m<sup>2</sup>

Jib: 20-40 m<sup>2</sup>

Mizzen: 40-70 m<sup>2</sup>

(The information provided is approximate and may vary depending on the type of sail hoisted at the time.)

**Main tanks:**

Fuel capacity 20,000 l (depending on current configuration) Fresh water capacity 15,000 l (depending on current configuration)

**3. MAINTENANCE HISTORY AND DRY-DOCKING WORK CARRIED OUT BY STAFF RESPONSIBLE AT THE MILITARY NAVAL SCHOOL (ENM)**

Since its handover to the Military Naval Academy (ENM), the vessel has followed a rigorous maintenance programme:

- May 2024 (NODOSA): First statutory dry-docking. General inspection satisfactory; critical areas identified for future work.
- December 2024-2025 (NODOSA): Second dry-docking phase. Work was carried out to clean the steelwork, remove areas of corrosion around the servo and mast bases, and treat the deck surfaces.

#### 4. PHOTOGRAPHS AND DETAILS OF INTEREST

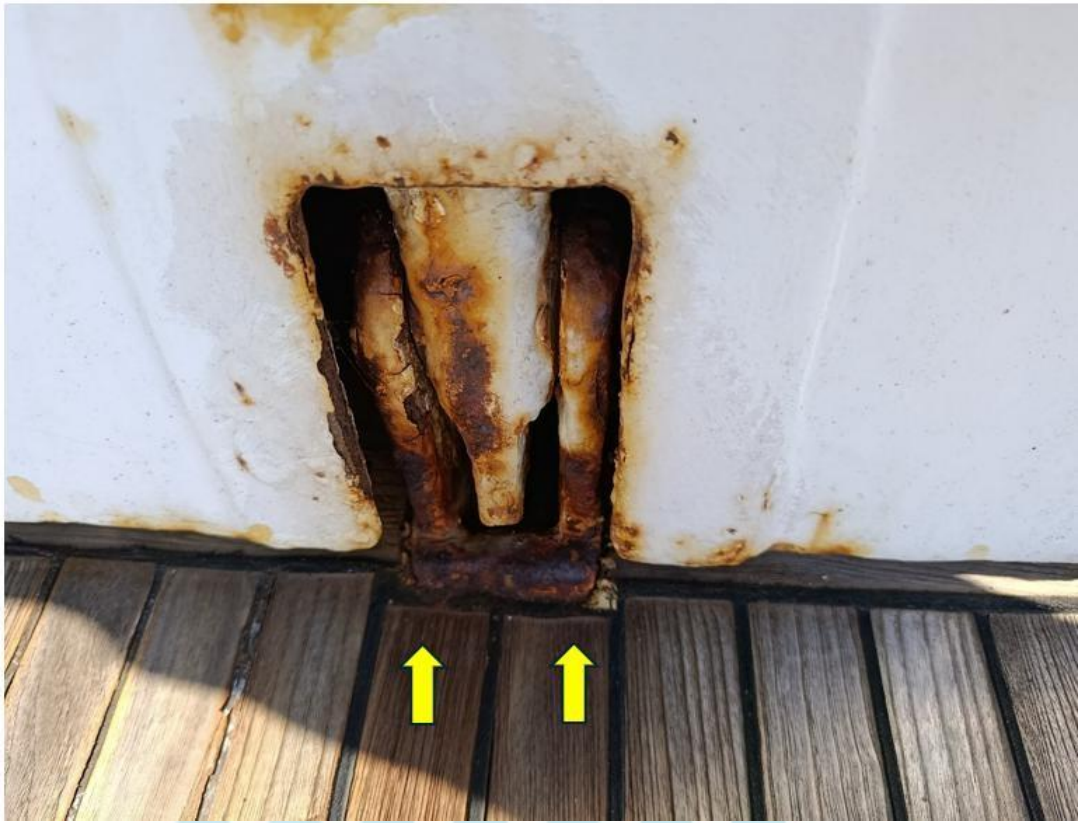

Below is a series of photographs showing the current condition of the pleasure craft as at **27 April 2026**.
